Formal Matters

Amendment after allowance under 37 CFR 1.312

[0004] During a telephone conversation on January 31, 2008, Examiner Chen indicated that informalities introduced into the allowed claims of this application would be corrected via this Supplemental Filing and subsequent issuance of a Supplemental Notice of Allowance. Accordingly, Applicant earnestly requests that the Supplemental Notice of Allowance responsive to the filing be issued forthwith.

Formal Request for an Interview

[0005] If the Examiner's reply to this communication is anything other than allowance of all pending claims, then I formally request an interview with the Examiner. Please contact me or my assistant to schedule a date and time for a telephone interview that is most convenient for both of us. While email works great for us, I welcome your call to either of us as well. Our contact information may be found below.

Conclusion

[0006] All pending claims are in condition for allowance. Applicant respectfully requests reconsideration and prompt issuance of the application. If any issues remain that prevent issuance of this application, the **Examiner is urged to contact me before issuing a subsequent Action.** Please call/email me or my assistant at your convenience.
